CAUTION - EXTERNAL:

Hi Todd

I am trying to recoup lost rents due to some of the hang ups that happened on the rebuild at 912 5th Street, Orland, CA.

Josh from Allstar Building was working on this with Amy Husted from your office. She had walked the ground and told Josh to call when he was ready for meters as if nothing would delay the project. Once Josh called for the meters in December of 2018 then it was disclosed that the gas line had been severed and condemned and we would need to go through the process we

wound up going through with you. If Josh was informed early on we wouldn't have been held up. I am trying to recoup some lost rents from PG and E not sure they will take my word for it.

Please let me know if you have any recollection or notations or maybe you can't?

Thank you either way, take care,

Margie (Marguerite) Sawyer
